LUBLIN UNIVERSITY OF TECHNOLOGY

ASSUMPTIONS: concerning the understanding and location the heritage in Lublin.

1. The heritage /historic monuments and traditional buildings/ in 85% is located in the city centre.

A/153 A/915

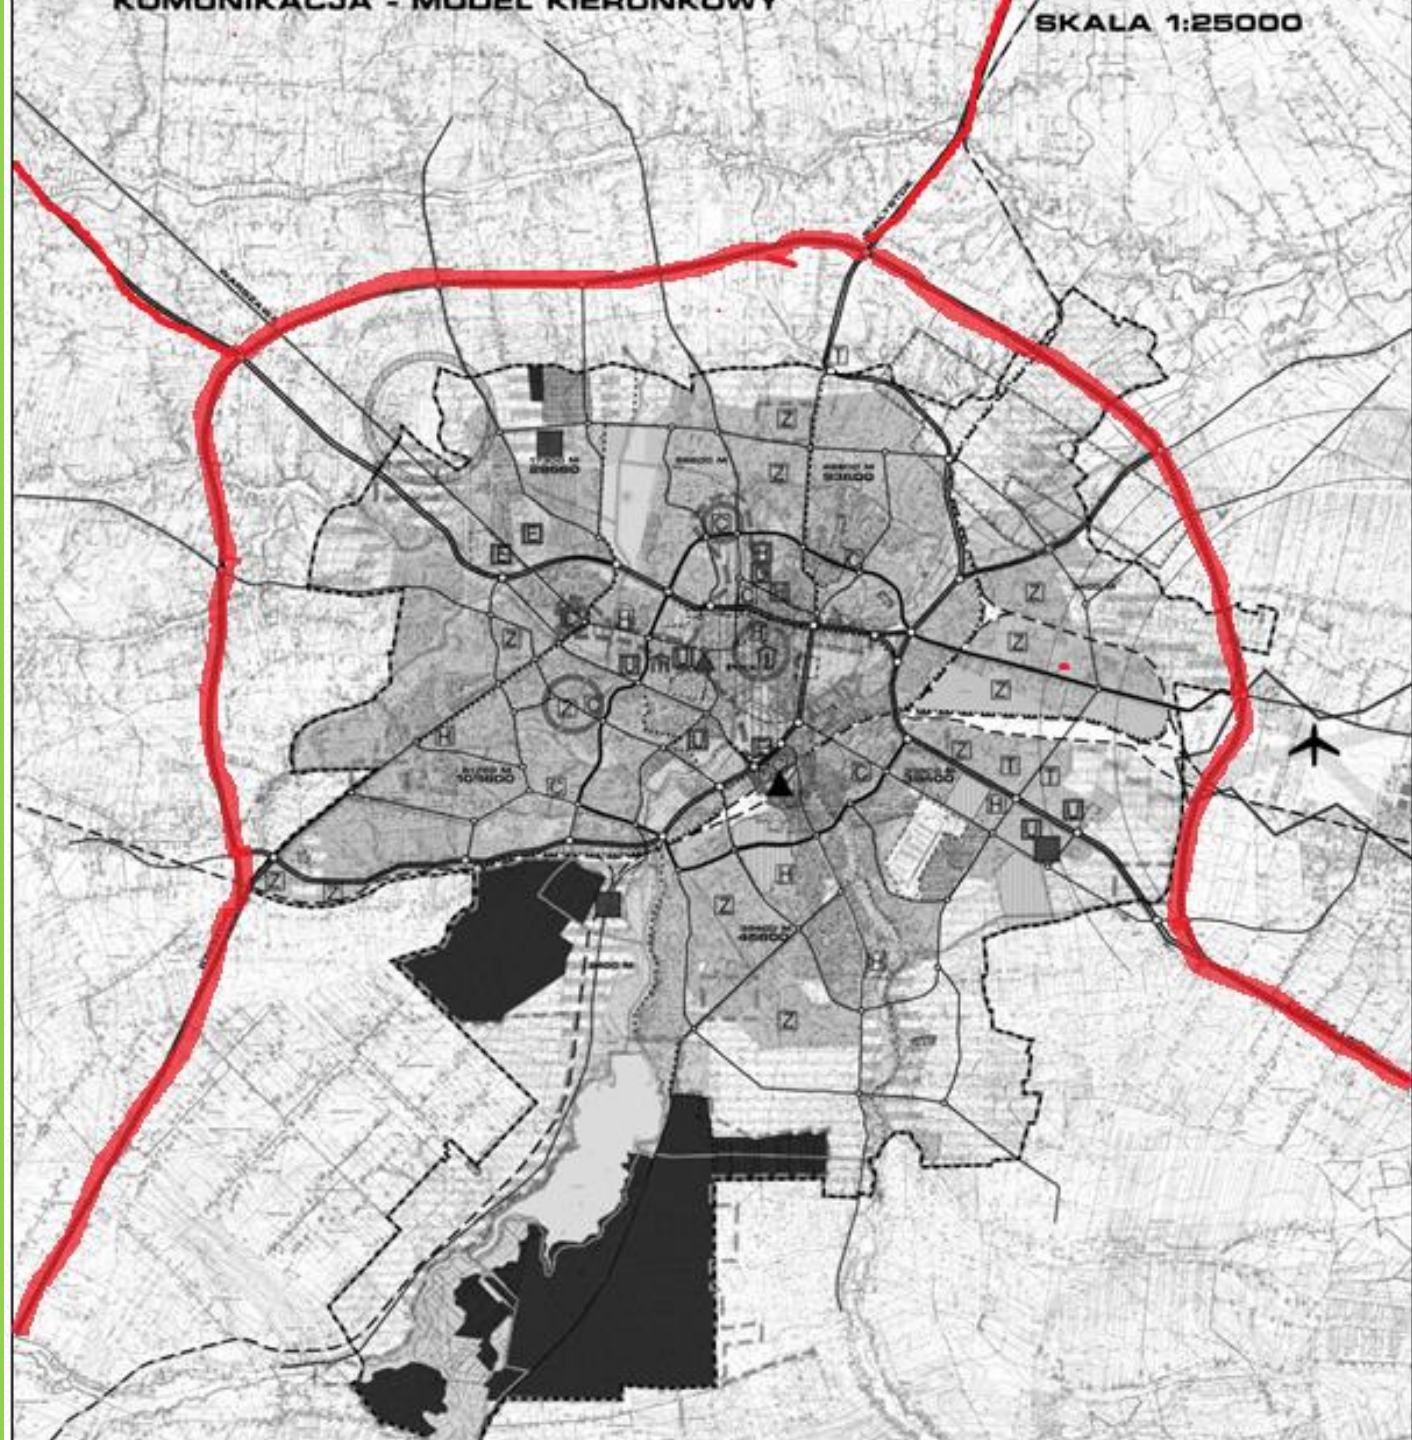

A/353

A/353

ASSUMPTIONS: concerning the spatial development.

2. The historical area covers only a very small part of the city.

ASSUMPTIONS: concerning the contemporary functional development.

3. The post-war and contemporary architecture have a mono-functional character /residential or industrial districts/.

PREMISSES:

1. All historical and traditional architecture and the whole traditional urban space will be treated as heritage.

PREMISSES:

2. The whole city centre will be considered as Historical Lublin – an area controlled by Conservation State Service.

/only 3% of the city's area/

PREMISSES:

3. The use of this area will be limited /and adopted/ to the public, cultural, residential, touristic functions.

PREMISSES:

4. The policy/conservator's restrictions/ will be diversified – it will be adopted to the diversity of the built heritage and the possibilities of its modern functioning.

PREMISSES:

5. The coordination of actions on this area will be conducted by the Conservation Service.

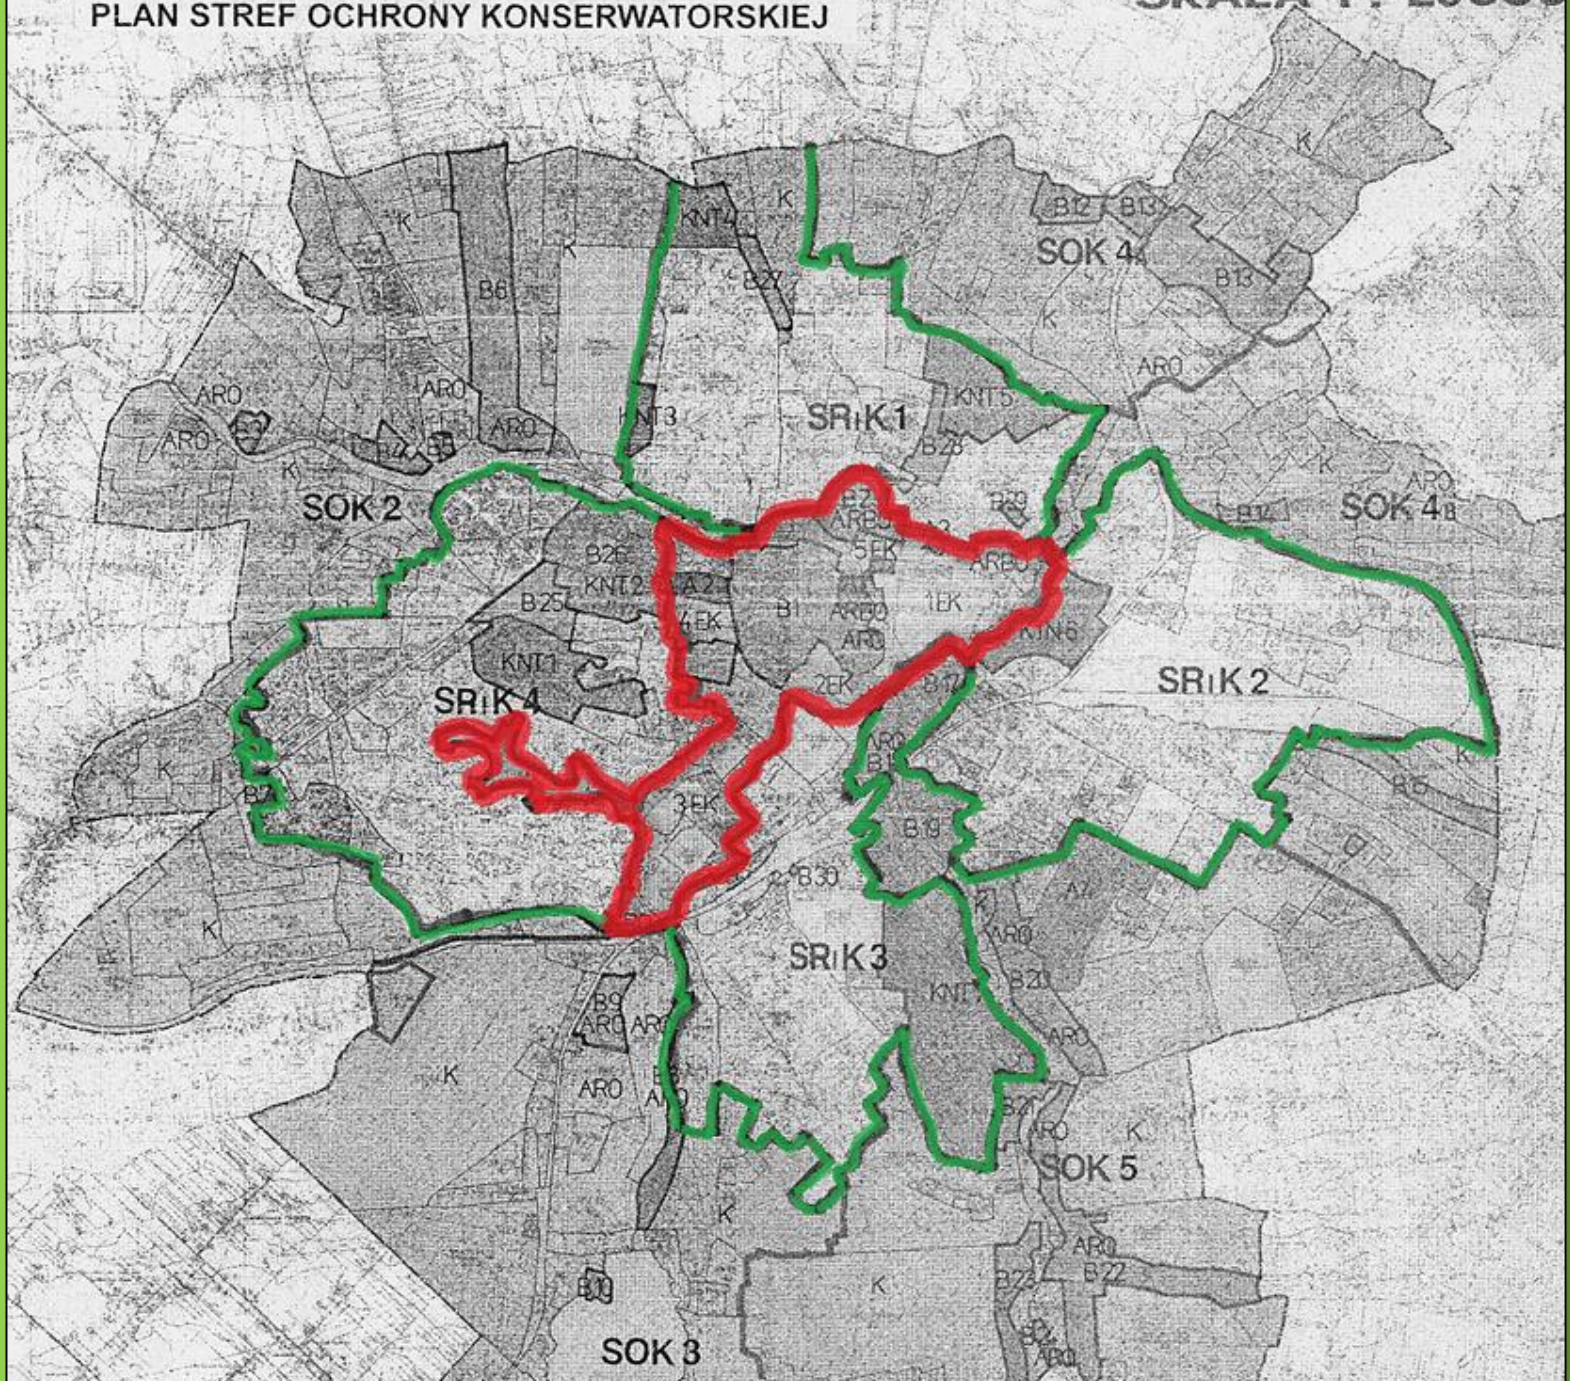

PREMISSES:

6. Procedures ensuring large participation of all the stakeholders at each stage of the project will be created.
